Re: Informational Submission of ComEd Operating Protocol for Municipal  
Coordination of Emergency Preparedness and Response Management

Dear Ms. Rolando:

Enclosed please find Commonwealth Edison Company's Operating Protocol for Municipal Coordination of Emergency Preparedness and Response Management ("Protocol"). The Protocol is being filed with the Illinois Commerce Commission for informational purposes pursuant to the direction of the Acting Executive Director of the Commission, Randy Nehrt.

An electronic copy of this letter and the Protocol are included on the enclosed CD. Finally, a copy of this Protocol is also being sent to each of the municipalities referenced on ComEd Tariff ILL.C.C. No. 10 at Original Sheet Nos. 5-18 (with the exception of the City of Chicago).

ComEd kindly requests that the Chief Clerk's Office acknowledge receipt of this letter and the Protocol by file-stamping this letter.

Very truly yours,

A handwritten signature in black ink, appearing to read "Ross C. Hemphill", is positioned above the typed name.

Ross C. Hemphill,  
Vice President, Regulatory Policy and Strategy  
Commonwealth Edison Company
